20160630 WCQAPP Appendix B-Analytical Method SOPs.pdf

Good Morning Elizabeth,

As discussed, I realized that the Analytical SOPs were never provided to EPA as part of this submittal. Therefore, attached you will find Appendix B- Analytical SOPs for the WCQAPP Rev. 3. In addition, a link to the complete clean copy of the QAPP can be found below. The complete version of the WCQAPP now includes all analytical and validation SOPs. I apologize for the delay on this, but this was not a priority as we did not have any disposal coming up.

We will await approval and/or comments on Revision 3 of this QAPP before finalizing.

Let me know if you have any questions.

Thanks
